

ASTRAVAN

2013 Models Edition 1

Proud Sponsor of Home Nations Football

The Wheels of Business. Helping you deliver.

Whatever your line of business, Vauxhall Commercial Vehicles can help you deliver. With five different models – including New Combo and the award-winning Corsavan – we offer a massive choice of almost 300 variants including panel vans, chassis cabs,

crew cabs, platform cabs, tippers, dropsides, box vans and passenger carriers. We're also committed to keeping your business moving. That means reliable, fuel-efficient vehicles – including our new ecoFLEX range – supported by a dedicated network of over

450 retailers offering the expert support and back-up you need. We build more commercial vehicles at our British production facilities at Ellesmere Port and Luton than any other UK manufacturer. We've also won over 30 industry awards since 2001 – major awards,

presented by some of the toughest judges in the business. Introduce the in-built reassurance of the Vauxhall brand and it's easy to see why Vauxhall Commercial Vehicles really are 'The Wheels of Business'.

Astravan

Astravan. The Ultimate Drivers' Van.

With its modern, sporty styling, it makes a positive statement about your business. There's a choice of powerful Euro 5 compliant 1.7CDTi 16v diesel engines including a CO₂ efficient ecoFLEX unit. Plus two generously equipped trim levels.

And with outstanding carrying capacity, it's always ready to get the job done. Yet with its dynamic chassis and supreme interior comfort, you might forget you're driving a van at all.

Today's Astravan. Club or Sportive. The ultimate drivers' van.

Some of the vehicles shown in this brochure include options and accessories available at extra cost. And not all of the features described are available on every model. So please check the equipment and technical data section for further details. From time to time, we also offer alternative models such as Special Editions which are featured in separate literature or can be found on the Vauxhall website: www.vauxhall.co.uk/vans

Astravan Sportive

Dynamics and efficiency

There's no doubt that it looks good, and it's great to drive too. But don't let that distract you. There's a choice of three Euro 5 compliant common rail turbo diesel engines – including a low CO₂ 1.7CDTi 16v ecoFLEX unit – which match high fuel economy with extended service intervals for low running costs. Vauxhall was the first CV manufacturer to offer 'eco' versions across the entire line-up, reinforcing our commitment to environmental principles within the commercial vehicle sector. A fact recognised by *What Van?* with the 'Green' award in their 2012 honours.

Common rail diesels

Astravan comes with a choice of three powerful, high-torque, high-economy common rail, turbo diesel engines – 1.7CDTi 16v (110PS), 1.7CDTi 16v ecoFLEX (110PS) and a powerful 125PS version. Our ecoFLEX model embodies all the benefits of Vauxhall's ecoFLEX philosophy: with incredible economy and CO₂ emissions of just 132g/km.

These engines are matched to a manual six-speed gearbox as standard.

Low running costs

Commercial vehicle operators understand why we keep Astravan running costs low. Service intervals extend to 20,000 miles/one-year, plus there's a three-year/60,000 mile warranty.

Dynamic chassis

With precise power steering, genuine ride comfort and incredible agility, it's no surprise Astravan drives more like a car than perhaps any other van. Yet the chassis is specially tuned to the demands of everyday working life.

Great looks

Beautifully styled from every angle, Astravan's sharp, modern lines make a positive statement about any business. Sportive models add extra visual appeal with body-colour door handles, mirrors and side-protection mouldings plus a dark-tinted rear window.

Must-have safety

Astravan provides a safe working environment with active safety features such as Anti-lock Braking and Emergency Brake Assist standard on all models. Astravan also features the addition of Electronic Stability Programme-plus, helping you gain control of the van in emergency situations.

Choice of engines:

- > 1.7CDTi 16v (110PS)
- > 1.7CDTi 16v ecoFLEX (110PS)
- > 1.7CDTi 16v (125PS)

Features include:

- > Three-year manufacturer's warranty consisting of a one-year/unlimited mileage warranty plus a second and third year warranty up to 60,000 miles
- > Anti-lock Braking System (ABS)
- > Electronic Stability Programme-plus (ESP-plus)
- > Emergency Brake Assist (EBA)

Loadspace

The Astravan load compartment provides 1.58 cubic metres of highly versatile loadspace with up to 650kg maximum payload. The optional Flex bulkhead with fold-flat passenger seat extends maximum load floor length from 1.82 to 2.68 metres.

From a practicality perspective, Astravan's tailgate lifts high to reveal a low loading height, a high, wide loading aperture, and a load area

that combines generous length, width and height with a broad, flat load floor. Width between the wheel arches is a full 1103mm.

A standard half-height steel bulkhead and half-height plastic sidewall panelling provide valuable protection against shifting loads. In addition, six load restraint lashing eyes allow you to secure your load, avoiding potential damage.

Relaxed and secure

When you're spending a long day on the road, it's good to know that Astravan is spacious, comfortable and easy to drive. But it's also reassuring to know that Astravan offers a high level of safety and security as standard. Indeed, Vauxhall have been voted Best Van Manufacturer in the British Insurance Vehicle Security awards.

Relaxing cabin

The Astravan interior has a bright, airy look, allied to high levels of comfort and practicality. With a height-adjustable driver's seat and an adjustable steering column – plus sports seats with lumbar adjustment on Sportive models – the perfect seating position is easy to find.

Mary Wilson, Owner, Mary Wilson Flowers said...

'As well as handling like cars, our Combos are very fuel efficient - averaging over 45 mpg. That explains why we've always chosen Combo and had 14 in total.'

Mike Sinclair, Senior Property Partner, Aberdeen Considine said...

'Our fleet of 23 Corsavan Sportives is a reflection on our business, reinforcing our professional image. Not only that, we've found them economical, reliable and fun to drive.'
