

MOKKA X

2018 Models Edition 1

VX_MOK_25507

VAUXHALL

YOU GOT THIS.

That feeling when things feel right - a little shiver of pleasure.

Mokka X hits that spot. It's a mix of the familiar with the unexpected, blending city-savvy tech with off-road thrills.

Inside its effortlessly comfy interior, you'll enjoy nice extra height, with the feelgood factor of a great view all around you.

You've got extra traction too. Mokka X packs extra muscle with its intelligent four-wheel drive system for better stability, grip and handling. So whether you're on the motorway, nipping round town or off-road, it stays on track.

Plus you get plenty of extra clever tech too. On the safety side there's LED Adaptive Forward Lighting, as well as touchscreen infotainment and Vauxhall OnStar personal assistance* with a 4G Wi-Fi Hotspot* to keep you well connected.

So wherever you're going, Mokka X gets you right there.

Isn't life brilliant.

*Terms and conditions apply see pages 16-19.

VX_MOK_25383

Mokka X

LIVE THE HIGH LIFE.

Underneath that rugged exterior, Mokka X shows off plenty of sophistication. Here's a taste of the highlights – beginning with some rather clever headlights:

1. **LED Adaptive Forward Lighting** tailors the shape of your headlights' beam for up to nine different driving situations, giving you optimum visibility at all times. Be enlightened on page 13.
2. **Vauxhall OnStar** doesn't just give you 4G Wi-Fi on the go (cool enough), it's also a 24/7 onboard personal assistant with full GPS that – at the touch of a button – can connect you to a real person for help in case of an emergency, to find a destination, or even book a hotel. Get personal on pages 16-17.
3. **4X4 intelligent All Wheel Drive** will automatically distribute the power between the front and rear wheels to optimise Mokka X's traction in difficult conditions, giving even greater grip. Steer your way to page 10.
4. **R4.0 IntelliLink.** Stay informed and entertained with a state-of-the-art infotainment system, featuring a touchscreen interface that seamlessly integrates your digital devices using either Apple CarPlay™ or Android Auto™. Fast forward to page 21.
5. **Ergonomic seats**, specially certified by the AGR*, with extendable thigh support and an adjustable lumbar area to support you in all the right places and keep your back healthy. Sit back, relax and check out page 8.
6. **Ski and snowboard carrier.** Skiers can carry up to six pairs of skis or four snowboards safely and securely with this tough carrier, available as an accessory. To discover more lifestyle accessories, head to pages 38-39.

*AGR (The Campaign for Healthier Backs) is an independent centre of excellence for ergonomics, based in Germany.

This brochure covers Mokka X Active, Design Nav, Elite and Ultimate models only. Some of the models shown include options and accessories available at extra cost. And not all of the features described are available on every model. We may also offer alternative Mokka X models such as Special Editions. So for all current model or equipment details visit the Vauxhall website: vauxhall.co.uk

TAKES TOWN AND COUNTRY TO A DIFFERENT CLASS.

Mokka X brings premium design and practicality to the street smart SUV. Nicely compact with a muscular shape, it not only looks and drives great in the city, but has the ride height and big alloy wheels to go off-road with confidence.

1. **Xtra all-round.** In every detail, Mokka X shows off urban style with a rugged attitude.
2. **Ready for action.** Useful features like roof rails enhance Mokka X's poised and sporty look.
3. **Let the outdoors in.** The big optional glass sunroof adds to the great sense of space inside.

FEELS GOOD INSIDE.

Step into the Mokka X, and the first thing you'll notice is its premium quality and elegant minimalism. Its airy, uncluttered cabin and fascia give you a true sense of spaciousness, heightened by Mokka X's elevated position that gives you a clear view of the road ahead.

Detailed refinement and upscale quality continue throughout the cabin. Deeply contoured ergonomic seats*, smart technology and thoughtful features show off the careful design that has gone into the Mokka X interior.

Storage space is also generous and clever, with improved arrangements that are even more useful. Throughout the cabin, delicate curves complement the high-quality trim to highlight the cool, calm and comfortable feel of Mokka X's interior. Welcome inside.

- 1. Clarity and style.** The clean, uncluttered layout of the centre console with the integrated IntelliLink touchscreen display makes it easy to find key controls at a glance.
- 2. Practical technology.** Complementing the IntelliLink touchscreen display, the driver display in the instrument cluster shows up loud and clear.
- 3. Crafted with care.** Stylish fascia stitching shows off the Mokka X's quality in even the smallest of details.

VX_MOK_25415

VX_MOK_27439

VX_MOK_25428

*Standard on Elite and Ultimate models only.

VX_MOK_27443

IT GRIPS YOU.

Whether you're driving around tight city streets or up steep country lanes, Mokka X is made for the challenge.

Combining brains with brawn, optional 4X4 intelligent four-wheel drive technology gives Mokka X greater traction, stability and control using sensors to continuously monitor the car's grip.

As the road surface changes, the 4X4 system automatically distributes drive between the front and rear wheels to optimise road holding. But the high-tech doesn't end there.

The hill start assist will stop you rolling back on steep hills by automatically releasing the brakes as you pull away, while with a descent control system you can take your Mokka X 4X4 off-road and safely control your speed on steep downhill gradients without having to brake.

VX_MOK_25399

VX_MOK_25389

VX_MOK_25388

LIGHTS WITH BRIGHT IDEAS.

Mokka X is one of the first SUVs to offer full LED Adaptive Forward Lighting (AFL). This literally brilliant LED technology automatically adjusts an array of LED beams to illuminate different hazards, depending on the kind of driving or manoeuvre you're performing.

How AFL works. AFL headlights on the Mokka X feature six LED elements that light the road 30% brighter than standard halogen lights, giving you a better chance to see hazards sooner and giving you more time to react in an emergency. The AFL LED system uses data such as the Mokka X's speed, steering angle and indicators to choose the best lighting pattern.

VX_MOK_25468

Energy saving mode.

Switches off the cornering lights to save energy when the Mokka X's Start/Stop mode is on.

VX_MOK_25470

Parking light. In reverse gear, this switches on the front cornering light on both sides of the car so it makes it easier for you to get in and out of parking spots.

VX_MOK_25472

Static cornering light (up to 25mph). When you indicate and turn the steering wheel past a certain angle extra AFL LED lights come on to show what's around the corner.

VX_MOK_25474

Dynamic curve light (25 to 45mph). Above a certain steering angle, extra cornering AFL LED lights give you an illuminated view around higher-speed curves.

VX_MOK_25469

Motorway light. Powerful illumination on top of the LED low beam – gives you full-on lighting for maximum visibility at night and on low-lit roads.

VX_MOK_25471

Country light. Above 34mph, a longer, broader, dazzle-free, low-beam light helps to illuminate any upcoming roadside hazards.

VX_MOK_25475

High beam assist. This safety feature automatically dips your headlights when the AFL LED system detects other vehicles approaching.

VX_MOK_25473

Tourist mode*. If you're driving on the continent, to avoid dazzling oncoming traffic the headlights automatically angle slightly downwards.

*When activated.

EFFICIENCY WHERE IT COUNTS.

You know what they say – power is nothing without control. Which is why Vauxhall developed intelligent 4X4 technology and fuel-efficient engines for the Mokka X, including a powerful 4X4 6-speed automatic.

The Mokka X delivers:

- A tough yet lightweight chassis for exceptional agility
- Impressive driving performance, both on and off-road
- Low-noise, high-power diesel technology
- ecoTEC technology for reduced emissions and lower fuel costs

Go on – just put Mokka X to the test and we're sure you'll have nothing but a smile on your face.

- 1. More muscle with less waste.** Pick the four-wheel drive automatic with its powerful 1.4 Turbo (152PS) petrol engine, smooth 6-speed gearbox and fuel-saving start/stop technology.
- 2. No compromises here.** Our ecoTEC 1.4i Turbo (140PS) petrol engine is powerful for its relatively small size, giving great fuel economy without compromise on performance and muscle.
- 3. Save at the pumps.** Our ecoTEC diesel models deliver total efficiency which means you spend less on fuel at the pumps.
- 4. A nice change.** Choose the convenient 6-speed automatic or a hands-on 5 or 6-speed manual for amazing response with powerful control.

VX_MOK_25429

THIS COULD BE THE IDEAL TRAVEL COMPANION

Journeys go faster with great company. It's just a good feeling to have someone with you along the way.

Which is why your Mokka X* comes with Vauxhall OnStar¹, a personal connectivity and service assistant who's always there for you, 24/7, 365 days a year.

At the push of a button, it puts you in touch with someone to help you – could be help to find or unlock your car or immediate help in an emergency – whatever happens, it's there.

Oh yes, and how could we forget it also has a super-handy 4G Wi-Fi Hotspot². Perfect for hooking up to seven devices (I want to be at that party).

Isn't this just the kind of mate you'd like on your next road trip? And we guarantee it won't complain about the music you play.

*Standard on all Mokka X models 1 OnStar services require activation and an account with OnStar Europe Ltd, a GM company. All OnStar services and Wi-Fi services will cease to be available on 31 December 2020. No trial or paid subscriptions or services, including emergency response services, will be available after that date. Charges apply after applicable trial period. All services subject to mobile network coverage and availability. The OnStar subscription packages could be different from the services included in the free trial package. Check vauxhall.co.uk/onstar for details of availability, coverage and charges. Terms and conditions apply. Vauxhall is not responsible for the provision of OnStar or Wi-Fi services. 2 The 4G Wi-Fi Hotspot services require account with OnStar Europe Ltd, and nominated network operator. The Wi-Fi trial has a time limit and capped data allowance. Charges apply thereafter. All services subject to mobile network coverage and availability.

SOS

YOU'RE SAFE

With OnStar you have emergency assistance at your fingertips, available 24 hours a day, 365 days a year.

- **Automatic Crash Response¹:** in case of a crash and an airbag deploys, our advisors automatically connect to your car. If needed, they immediately brief the emergency services with key car information and can send them to your exact location.
- **24-Hour Emergency Call Service²:** you or a passenger are not feeling well? Push the red SOS button and our advisors make sure to send help right away.
- **Roadside Assistance^{1,3}:** if you have a flat tyre or a warning light in the dashboard goes on, just contact our advisors and they will send Roadside Assistance to your location, if required. This is even more valuable in areas with weaker mobile phone coverage or if your smartphone has run out of battery.
- **Stolen Vehicle Assistance¹:** in case your car gets stolen, report it to the police and get a crime reference number. Once the car stops and is turned off, OnStar blocks the ignition so the car can't be restarted again and provides the police with the exact vehicle location to help retrieve your car safely.

YOU'RE WELL CONNECTED

Nowadays, we're pretty used to having Wi-Fi on tap almost everywhere. So why not your car? And you can use the smartphone app to view the status of some functions, locate your car, and lock or unlock it if needs be.

- **Wi-Fi Hotspot^{1,2}:** a fast and stable Internet connection enables you and your passengers to work, surf or just stream movies on up to 7 devices – thanks to the powerful OnStar roof antenna.
- **Remote Control^{1,4}:** if you forgot to lock your car, you can use your smartphone to remotely lock or unlock it, even from afar, thanks to the **My Vauxhall Smartphone App**.
- **Car Locator^{1,4}:** forgot where you've parked? Pinpoint your car's location on the app. If you are close and still do not see it, just blink the headlights or honk the horn to see where you've parked.

YOU'RE LOOKED AFTER

Who wouldn't want a personal assistant?

At the touch of a button, you'll be connected to an assistant who's at your service – 24 hours a day, 7 days a week.

- **Hotel Booking^{1,5}:** plans changed? Or too tired to keep driving? Let our advisors take care of your hotel booking en route, powered by Booking.com. Just press the blue Service Button.
- **Destination Download^{1,6}:** no more address typing! Our advisors assist you in finding an alternative route, a restaurant or a petrol station. They will remotely download the address onto your in-built navigation system, too.
- **Parking Service^{1,7}:** never search for a car park space again! Using Parkopedia.com, OnStar can find the nearest car park to your destination. That way, before you even get there, you'll already know the availability and parking fee. With destination download⁶, OnStar can send the information direct to your sat nav, making it even easier.

How's that for personal service?
All without leaving your Mokka X.

³ OnStar will direct a professional breakdown recovery team to your location. If your car is within the Vauxhall New Vehicle Roadside Assistance coverage period, OnStar will connect with the Vauxhall roadside assistance service, who will send help free of charge, subject to the Vauxhall roadside assistance terms and conditions. If your vehicle is outside the coverage of the Vauxhall New Vehicle Roadside Assistance service, the provider of the breakdown recovery service may apply charges for the services provided. ⁴ Some elements of Smartphone App may not be available for all cars/trim levels. Check vauxhall.co.uk/onstar for service limitations and charges. ⁵ An OnStar advisor can help you book a hotel room using Booking.com, subject to Booking.com user terms and privacy statement, which can be found on the Booking.com website, and the applicable terms and conditions for your hotel. OnStar assists you in making a booking and is not responsible for the services provided by Booking.com or your hotel. Email address and credit card required. ⁶ Some elements of Smartphone App and Destination Download may not be available for all cars/trim levels. An embedded Vauxhall navigation unit and map data are requirements for the Destination Download service. Check vauxhall.co.uk/onstar for service limitations and charges. ⁷ Only available for car parks which are listed in Parkopedia. Information about availability applies for the time of contact with OnStar.

HOW TO GET ONSTAR

Vauxhall OnStar is standard on all Mokka X models.

1. We will send you an e-mail so you can activate your account – then just complete your registration and set your preferences.
2. Just activate OnStar when you take delivery of your new Vauxhall Mokka X.
3. OnStar is ready to go!

Best of all the OnStar services are free of charge for the first 12 months¹ You'll also get a free data trial period for the 4G Wi-Fi Hotspot²

You can purchase Wi-Fi Hotspot data packages separately from the nominated network provider by following the instructions on vauxhall.co.uk/onstar. Charges apply after the free trial period.

To ensure your privacy, you can turn OnStar off and on anytime*. Find out more at vauxhall.co.uk/onstar

GET MORE FROM YOUR CAR WITH MY VAUXHALL

My Vauxhall is your one-stop shop for everything to do with your Mokka X. Manage your OnStar account. Organise your car's next service. Get rewards and exclusive savings for you.

- **Manage your Vauxhall** – take care of your Vauxhall online and book a service.
- **Access your OnStar services** – get diagnostics reports, manage your subscription and more.
- **Exclusive offers** – stay up to date on special offers, the latest news and current events.
- **Retailer locator** – find your nearest Vauxhall retailer.

*OnStar can only override the Privacy Button in an emergency or if your car is reported stolen. 1 OnStar services require activation and an account with OnStar Europe Ltd., a GM company. Charges apply after applicable trial period. All services subject to mobile network coverage and availability. The OnStar subscription packages could be different from the services included in the free trial package. Check vauxhall.co.uk/onstar for details of availability, coverage and charges. Terms and conditions apply. Vauxhall is not responsible for the provision of OnStar or Wi-Fi services. 2 The 4G Wi-Fi Hotspot services require account with OnStar Europe Ltd, and nominated network operator. The Wi-Fi trial has a time limit and capped data allowance. Charges apply thereafter. All services subject to mobile network coverage and availability. All OnStar services and Wi-Fi services will cease to be available on 31 December 2020. No trial or paid subscriptions or services, including emergency response services, will be available after that date.

HOW TO GET MY VAUXHALL

If you already use Vauxhall OnStar, you can access all the My Vauxhall services. Otherwise, simply register for My Vauxhall this way:

1. When you order your Mokka X, your retailer will help you pre-register for My Vauxhall.
2. We'll send you an e-mail invitation to activate your My Vauxhall account and complete your registration.
3. My Vauxhall is ready to go – use it through any web browser, or the My Vauxhall app on your mobile device, available to download from the Google Play or Apple App Store.

VX_MYVX_27574.tif

VX_MOK_25393

STAY CONNECTED, WHEREVER YOU ROAM.

The Mokka X is one of the best-connected, smartest SUVs in its category. With OnStar¹ onboard you have a powerful 4G Wi-Fi Hotspot² at all times, so you can make full use of your digital devices, anytime and anywhere. What's more, with IntelliLink as standard too, you can display features from your smartphone³ to the touchscreen on the fascia, keeping you informed and entertained on the road.

- 1. Smartphone projection.** R4.0 IntelliLink can access applications from your smartphone or tablet device, which can be projected to the touchscreen display. So you can do things like use Maps, or enjoy TuneIn and Spotify, either using the touchscreen or the voice control interface to control the apps.
- 2. The 7-inch multitasker.** The R4.0 IntelliLink also gives you hands-free phone calls and audio streaming through Bluetooth[®]. And it's compatible with Apple CarPlay[™] and Google's Android Auto[™], so you can store and personalise all your favourite radio stations.
- 3. Top-of-the-range sat nav.** On top of all that R4.0 functionality, the optional 8-inch Navi 900 IntelliLink⁴ includes a fully-fledged navigation system with bird's eye view mode. You can choose destinations through the voice command mode, the touchscreen or select places from your favourites.

GIVE IT SOME STYLE, INSIDE AND OUT.

As you'd imagine for a style leader like Mokka X, it comes in a striking array of exterior colours* and interior fabrics to create an individual look.

For body colours, Mokka X shows off a palette of gleaming solid, brilliant, metallic and premium finishes, complemented by stylish interior fabrics and décor mouldings. These give you an inspiring choice of combinations to mix and match an individual character for your Mokka X.

*Please refer to the latest Mokka X Price and Specification Guide available from vauxhall.co.uk for details of colour availability by model and price. Due to the limitations of the printing process, the colours reproduced may vary slightly from the actual paint colour and trim material. As a result, they should be used as a guide only. Your Vauxhall retailer has a comprehensive display of paint samples.

CREATE A CHARACTER.

Alloy wheels are the boots and shoes that finish off the look of your Mokka X. And each model comes with its own distinct set of stylish alloys.

1. **17-inch alloy wheels*** with 215/60 R 17 tyres (Active, Design Nav and Elite models).
2. **18-inch alloy wheels** with 215/55 R 18 tyres (Active and Design Nav models**).
3. **18-inch multi-spoke alloy wheels** with 215/55 R 18 tyres (Elite models**).
4. **18-inch diamond-cut bi-colour 10-spoke alloy wheels** with 215/55 R 18 tyres (optional at extra cost on Elite models).
5. **18-inch black 10-spoke alloy wheels** with 215/55 R 18 tyres (optional at extra cost on Active, Design Nav and Elite models).
6. **19-inch 5-twin spoke alloy wheels** with 225/45 R 19 tyres (optional at extra cost on Active, Design Nav and Elite models). Standard on Ultimate models.

*FWD manual diesel models only.

**No-cost option on FWD manual diesel models.

6.

Please note: An emergency tyre inflation kit is standard on all Mokka X models in lieu of a spare wheel. An emergency steel spare wheel and tyre is available on all models as an extra-cost option. Fitting this spare wheel and tyre will reduce luggage capacity.

VX_MOK_25394

STYLING ACCESSORIES.

Treat your Mokka X to a powerful look with our range of tailored styling accessories to enhance its sporty look. Styling accessories* for Mokka X include sleek roof spoilers, anti-slip side steps and skid plate inserts for front and rear.

VX_MOK_25985

Roof spoiler.

Sleek and aerodynamic, this spectacular addition cranks up the downforce and tightens your grip.

VX_MOK_25986

Anti-slip side steps.

Stand on these to get things on or off the roof. Looks-wise, they add muscle and kids like to use them to get in and out.

VX_MOK_25409

High but low.

Styling inserts highlight the skid plates.

BRING IT ON.

Mokka X is made for all kinds of adventures – big and small, extraordinary and day-to-day – so we've put together some accessories to make life on the road easier.

- 1. Hard cargo tray.** When you've got lots of smaller items to load, this made-to-measure tray is a must. High-edged, flexible and washable, it has a non-skid surface to keep loads in one place, and to help keep the luggage area clean and tidy.
- 2. Ski and snowboard carrier.** Perfect for snow sports fans – carry up to six pairs of skis or up to four snowboards using this tough, secure carrier which is tailored for Mokka X.
- 3. Cargo organiser.** This collapsible organiser stops things you're carrying from moving around when you're on the road, keeping everything in its right place.
- 4. FlexConnect tablet holder.** Ideal device holder for passengers, so you can mount tablets up high to watch movies, or lower for reading and typing.
- 5. FlexConnect folding table.** Whatever your cup of tea, coffee or juice, snap down this foldaway table and it'll hold your drink nice and steady, with plenty of room to write, read or have a bite to eat.
- 6. DUO ISOFIX child seat.** For young families on the go, a child seat is essential. Ideal for little ones weighing 9-18kg, can be attached using the standard ISOFIX child seat restraint fittings.

For a complete choice of our storage and FlexConnect accessories for the Mokka X, visit vauxhall.co.uk/accessories

GO DO YOUR THING.

If you like the look of Mokka X, you'll love to drive it. You see, we made it to strike a perfect balance.

A rugged yet city-savvy SUV that gives you confident control with a full-on 4x4 drive and serious road grip, including intelligent safety features like Adaptive Forward Lighting and Descent Control.

Inside its compact shape you can settle into a super-comfortable, spacious interior with advanced ergonomic design and widescreen views.

And of course you'll enjoy Mokka X's generous infotainment, featuring a 7-inch IntelliLink touchscreen with Bluetooth® streaming as well as the premium connectivity of Vauxhall OnStar personal assistance* with a 4G Wi-Fi Hotspot*.

In every way, Mokka X is tuned for life. But don't just take our word for it. Feel it for yourself.

MAKE YOURS A MOKKA X.
