

New Astra Sports Tourer

Range Highlights

Designed to move you.

New Astra Sports Tourer is lean and sculpted with confident lines accentuated by signature lighting. Sporty, yet elegant, it reflects the distinctive Astra hatchback silhouette with new levels of versatility and innovative use of space.

This brochure covers new Astra Sports Tourer ES, Exclusiv, SRi and SE models only. Some of the models shown include options and accessories available at extra cost. And not all of the features described are available on every model. So please check in the Equipment section for further details.

Astra SRi

Engineered to thrill you.

New Astra Sports Tourer is a dynamic driver's car with impressive ride comfort, exceptional agility and a wide choice of powerful, eco-efficient engines. Together, they ensure that every drive is nothing less than a compelling experience.

Quality to surround you.

Sports Tourer's superior quality and smart thinking is evident in every aspect of the car's interior design. It begins with outstanding comfort and driver-oriented ergonomics, and extends to flexible space and innovative storage solutions.

FlexFold rear seats.

Folding the rear seats is now easier than ever. Seat back release buttons are located conveniently

in the sidewalls at the rear of the load space on each side of the car. Just one touch of each button and the rear seat backs automatically fold forward.

Four-way easy access cover. You can lift it up with one touch for convenient loadspace access or retract it (with a soft braking action as it enters the cassette) to leave the whole luggage compartment open. It can also be stowed neatly under the floor.

Interior storage. With door pockets incorporating bottle holders, a driver's storage compartment, cup holders, front and rear centre armrests with closed storage compartments and more, Sports Tourer keeps everything within easy reach. There's even 'secret' storage under the foldable luggage compartment floor.

FlexOrganiser®. Based around four rails mounted in the sides of the luggage compartment, FlexOrganiser® provides a versatile way to manage your load area. The optional pack includes FlexOrganiser® side rails plus restraint net with two bars, a small luggage restraint net and four adaptors.

Flexible loadspace. With a 60/40 split rear seat, new Astra Sports Tourer boasts a versatile loadspace with as much as 1550 litres of carrying capacity and a 900-litre 'black box' (single large object storage) capability. The rear seats can be folded forward without removing their head restraints. Once folded, fully removable seat cushions now give you a choice between maximum load capacity and extra front legroom. See page 27 for further details.

Power and efficiency. New Astra Sports Tourer offers a wide range of engines balancing lively performance with impressive eco-credentials – Euro 5 emissions compliance, excellent fuel economy and low CO₂ outputs.

Multi-valve petrol engines. The Sports Tourer petrol choice features the latest in Variable Valve Timing (VVT) with optimised swirl characteristics. The 1.4i 16v VVT engine comes in two versions – naturally aspirated with 100PS and turbocharged with 140PS. And a 1.6i 16v VVT (115PS) engine is available with manual or automatic transmissions.

Advanced diesels. All of New Astra's high-tech diesel engines share cutting-edge common rail fuel-injection, 16 valves and variable geometry turbocharging. The new 1.3CDTi 16v (95PS)* and the two 1.7CDTi 16v engines (at 110PS and 125PS) qualify for zero Vehicle Excise Duty** (VED) during the first year (subsequently £20 for the 1.3 litre and £30 for both 1.7 litre ecoFLEX models). The 2.0CDTi 16v, developing an impressive 160PS, is available with a six-speed manual or automatic transmission with Active Select.

Start/Stop diesel technology. At the cutting edge of fuel saving and emissions reduction comes the hugely innovative new Vauxhall Start/Stop system which switches the engine off when you stop at the lights or in traffic, then restarts it automatically once the clutch is depressed. A huge range of built-in checks ensures passenger and vehicle safety at all times, of course. Engine stop is indicated by the rev counter needle in the AUTOSTOP position. And the system can be deactivated manually simply by pressing the ECO button.

New Astra Sports Tourer 1.3CDTi 16v models feature Start/Stop technology as standard*. The 95PS multi-valve engine provides strong punch with incredible fuel economy and just 109g/km CO₂, further underlining our commitment to sustainability, fuel economy and reductions in emissions without compromising performance and driveability. During 2011 the 1.3 models will be joined by a new, more powerful 160PS 2.0CDTi 16v engine with Start/Stop technology†. Check out the model pages for individual engine availability throughout the New Astra Sports Tourer range.

Standard on: SE models.

Lace cloth – sport seat

Standard on: SRi models.

Lace cloth – ergonomic sport seat

Optional at extra cost on: Exclusiv/SRi/SE models.

Leather – ergonomic sport seat

Optional at extra cost on SRi models as part of Leather Pack.

Due to the limitations of the printing process the colours reproduced may vary slightly from the actual paint colour or trim material. As a result they should be used as a guide only. Your Vauxhall retailer has a comprehensive display of our trim swatches.

Standard wheels:

ES

16-inch steel wheel with flush cover.

Exclusiv

16-inch steel wheel with flush cover.

SRi

17-inch alloy wheel.

SE

17-inch alloy wheel.

Optional wheels:

Exclusiv

17-inch Structure wheel
(no cost option).

SRi

18-inch alloy wheel
(extra cost option).*

SE

18-inch alloy wheel
(extra cost option).** †

Exclusiv

17-inch alloy wheel
(extra cost option).

SRi

19-inch alloy wheel
(extra cost option).*

Please note: All models feature a steel space-saver spare wheel. An emergency tyre inflation kit in lieu of the space-saver spare wheel is available at no extra cost. A full-size 16-inch spare wheel is also available at extra cost (not available on models with 18-inch or 19-inch wheels).

**Not available on 1.4i 16v VVT, 1.3CDTi 16v or 2.0CDTi 16v automatic models.*

***Not available on 1.3CDTi 16v or 2.0CDTi 16v automatic models.*

†Adds lowered and uprated suspension unless FlexRide is also specified.

Safety

Standard features • Driver's airbag • Front passenger's airbag • Front seat side-impact airbags • Full-size curtain airbags • Deactivation switch for front passenger's front and side-impact airbags – Ensures front passenger airbags do not inflate when a child seat is fitted to the front passenger's seat • Active-safety front seat head restraints • Height-adjustable front and outer rear seat head restraints • Five lap and diagonal inertia-reel seatbelts (height-adjustable front) • Front body-lock diagonal seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact • Drivers and front passenger's lap belt pretensioner system • Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • ISOFIX child seat restraint system for outer rear seats incorporating top tether (does not include child seat) – Secures specially designed ISOFIX child safety seats to the vehicle itself, virtually eliminating the dangers that can result from improper installation • Electronic Stability Programme-plus (ESP-plus) – Reduces the possibility of losing control of the vehicle • Anti-lock Braking System (ABS) • Electronic Brakeforce Distribution (EBD) • Cornering Brake Control (CBC) • Hydraulic Brake Fade Assist – Automatically raises braking pressure to compensate for brake fade under repeated applications of heavy braking • Emergency Brake Assist – Increases brake force applied in emergency braking situations • Straight Line Stability control • Traction control • Adaptive brake lights – If the driver brakes hard enough to activate the ABS function the brake lights flash on and off at a frequency of four times per second, warning following vehicles that heavy braking is in progress • Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear • Burst-proof door locks and anti-jam door design • Multi-pivot bonnet hinges – Allows the bonnet to move downwards cushioning any impact • Collapsible windscreen wiper system – Reduces the risk of head injury • Low density foam near front bumper crossmember – Reduces lower leg injuries • Plastic lower front bumper stiffener – Reduces knee injuries

Additional features	ES	Exclusiv	SRI	SE
Height-adjustable centre rear seat head restraint		○ ¹	○ ¹	○ ¹
Tyre pressure monitoring system		○	○	○

Security

Standard features • Remote control central deadlocking (doors, tailgate, fuel filler flap) • Visible Vehicle Identification Number (VIN) plate • 'Key left in ignition' audible warning • Freewheeling door locks • Electronic engine deadlock immobiliser • Electronic theft protection for audio equipment • Locking wheel nuts for alloy wheels (where fitted) • Driver's internal central locking switch • Door-to-door illumination

Additional feature	ES	Exclusiv	SRI	SE
Remote control ultrasonic security alarm system	○	○	● ²	●

Heating and ventilation

Standard features • Air blend heater with six-speed fan • Side window demist vents and adjustable face-level air vents • Interior pollen filter • Rear passenger compartment heating outlets • Air conditioning with air recirculation

Additional feature	ES	Exclusiv	SRI	SE
Dual-zone Electronic Climate Control (ECC) incorporating air conditioning with humidity sensor		○	○	○

Interior lighting

Standard features • Fade up/fade down courtesy lights operated by front and rear door switches • Illuminated glovebox and luggage area • Map reading lights integral with front courtesy light

			2.0CDTi 16v (automatic)	2155 1400 (750)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 100kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3 at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum nose weight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

Exterior dimensions

millimetres (inches)

Performance, fuel economy and emissions (provisional data)

	Wheel size (inches)	Performance (manufacturer's figures)		Fuel economy mpg (litres/100km)			CO ₂ emissions g/km

Fuel consumption and CO₂ emission data complies with the relevant EU regulations. **Important:** the results given relate to the particular vehicle tested; inevitably there are differences between individual vehicles of the same model. Driving style, road and traffic conditions, vehicle mileage and standard of maintenance may also affect fuel consumption.

Luggage capacities^{††} (ECIE method)

	litres	cu.ft.
Rear seat up	500	17.6
Rear seat down cushion removed [‡]	1000	35.3
Rear seat down cushion removed (to roof)	1550	54.7

^{††} = Maximum capacity with optional emergency tyre inflation kit

[‡] = To upper edge of front seat

Loadspace dimensions

	mm	in.
Max. load floor length (rear seats up)	1069	42.0
Max. load floor length (rear seat back down only)	1835	72.2
Max. load floor length (rear seat back down and cushion folded)	1749	68.8
Max. rear floor width	1026	40.3
Max. luggage area height (without false floor)	814	32.0
Tailgate aperture width	1028	40.4
Tailgate aperture height	721	28.3
Loading height from ground level	640	25.2

Fuel tank capacity

56 litres (12.3 gallons).

Vauxhall Assistance and warranties^{††}

- All new Vauxhalls qualify for a three-year vehicle warranty consisting of a one year/ unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

^{††} = Warranty is only available on vehicles sourced from General Motors UK Limited. Terms and conditions apply – please see your Vauxhall retailer for details.

Trust Vauxhall

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards, won both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, see www.vauxhall.co.uk/recycling

Fleet Customer Services

Our dedicated support services for fleet managers includes factory demonstrators, a three-day test drive programme and information on whole life costs, company car taxation and finance. For further information please call **0870 010 0651**.

Buying your car

GMAC offers one of the most comprehensive and competitive ranges of financing plans in the UK. Contact your local Vauxhall retailer for details or call the GMAC customer service centre on **0845 712 3444**.

Vauxhall Extended Warranty

For complete peace of mind Vauxhall offers an extended warranty that can be purchased on an annual basis following the expiry of the original new car warranty. It covers most mechanical and electrical components. Terms and conditions apply, for further details please contact your local Vauxhall retailer.

Servicing and maintenance

The best way to maximise the performance and reliability of your Vauxhall is to have all routine servicing and maintenance carried out at one of around 400 Vauxhall retailers. To find your nearest retailer call **0845 600 1500**.

In the event of an accident...

Vauxhall Accident Support helps keep you mobile following an accident. Benefits include scene-of-accident advice, message service, assistance with claims and vehicle recovery. For further details call **0800 010 304**.

Vauxhall Insurance

Available for new and used Vauxhalls, a Vauxhall Insurance policy offers a unique package designed specifically for Vauxhall drivers. For a highly competitive quotation, call **0844 84 85 840** (Great Britain) or **0845 35 13 410** (N. Ireland). Or just visit our website at www.vauxhall.co.uk

For more information...

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall retailer please **Lo-call 0845 600 1500**.

Alternatively, details can be found on our website at www.vauxhall.co.uk

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (August 2010). Vauxhall vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to alter specifications and withdraw products from sale without notice. Any such alterations will be notified to Vauxhall retailers at the earliest opportunity; please consult your local retailer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Vauxhall website. Please note that Vauxhall retailers are not the agents of General Motors UK Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. Please note accessories shown are for illustrative purposes only. As part of Vauxhall's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources. All rights reserved. No part of this publication may be reproduced in any form or by any means, without the prior written permission of General Motors UK Limited.
