MERIVA COMPANY CAR DRIVER/FLEET INFORMATION

DESIGN AND TECH LINE HIGH SPEC, LOW P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line models are seriously fit for Fleet.

Design models (Insignia, Astra and Corsa) all feature very low P11D values, generous standard specification with a choice of high tech ecoFLEX engines for great fuel economy and low emissions including the new 'whisper diesel' 1.6CDTi (from 88g/km and 85.6mpg combined).

For even more standard specification, step up to our Tech Line range (Insignia, Astra, Mokka, Zafira Tourer and Meriva) again you are guaranteed low P11D values, plus great standard kit including Sat Nav (in lieu of parking sensors and Winter Pack on Meriva), Bluetooth®, USB connection, aux-in socket and digital radio (excluding Meriva).

With Design and Tech Line you can take for granted low Whole Life Costs and low company car driver taxation.

COMPANY CAR DRIVER FREE* 3 DAY TEST DRIVE

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (excluding all VXR models and Commercial Vehicles), with full insurance cover provided, to give you a meaningful length of time to make an informed decision about your next company car.

Click below to book your free* test drive

or call 0870 240 4848**

BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20% for Basic Rate, 40% for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Meriva Tech Line 1.6CDTi (136PS) Start/Stop ecoFLEX (CO₂ emissions 116g/km)

On-the-road RRP £17590.00

Deduct: Vehicle Excise Duty (£0.00)

New vehicle first registration fee (£55.00)

Effective list price £17535.00

Add: Optional two-coat metallic paint £545.00

List price for tax purposes (P11D value) £18080.00

Car benefit charge
2016-17 tax year (23%) £4158.40

Benefit in kind tax liability (2016-17 tax year)

Basic Rate (20%) tax payer £831.68

Higher Rate (40%) tax payer £1663.36

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

CO ₂ emissions in grams per kilometre	Percentage of car's price to be taxed	
	Petrol 2016-17 tax year	Diesel 2016-17 tax year
up to 50	7	10
51-75	11	14
76-94	15	18
95-99	16	19
100-104	17	20

195-199	36	37
200 and above	37	37

To calculate your own personal liability a car tax calculator is available at: <https://www.vauxhallfleet.co.uk/toolbox>

*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants; congestion charges; parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

FLEET TOOLBOX

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information. Visit the Fleet Toolbox by going to www.vauxhall-toolbox.co.uk

ROADTRIP APP

The Vauxhall RoadTrip App is a free app that calculates and logs your mileage expenses for any UK business trips and generates reports to help you complete your mileage claims. Available for both iPhone and Android, visit www.vauxhall-toolbox.co.uk or visit the iPhone or Android stores and search for Vauxhall RoadTrip to download it to your smartphone or tablet.

CONTACT VAUXHALL FLEET

3 = Also available as a no-cost option in lieu of front and rear parking distance sensors, electrically heated front seats and electrically heated steering wheel. * = Includes 12 months of OnStar services and a 3 month Wi-Fi trial from date of first registration. Remote unlocking, ignition blocking and tyre pressure information features are not available. Destination download feature only operates on models fitted with optional Navi 650 or Navi 950 IntelliLink satellite navigation systems. Theft alert feature only operates on models fitted with security alarm system.

VAUXHALL ONSTAR – YOUR PERSONAL ON BOARD ASSISTANT

Many car brands talk about innovation as soon as they improve their cup holders but this innovative system, now available on selected models**, is revolutionary: 24/7, 365 days a year, Vauxhall OnStar puts you in touch with a trained advisor, not a machine. With OnStar you have access to a host of innovations, from Vehicle Diagnostics and Smartphone Function to a fully integrated 4G Wi-Fi Hotspot†. In the event of an accident, Vauxhall OnStar even automatically calls for help, for an incomparable feeling of safety.

** = The OnStar Services require activation and are subject to mobile network coverage and availability. Wi-Fi Hotspot service requires account with nominated network operator.

† = 4G is subject to mobile network coverage and availability. Charges apply after the free trial period. The OnStar subscription packages could be different from the services included in the free trial package. Check www.vauxhall.co.uk/onstar for terms and conditions, details of availability, coverage and charges.

SATELLITE NAVIGATION

The optional Navi 650/950 satellite navigation systems offer dynamic route guidance via RDS-TMC (Traffic Message Channel) with directions given audibly and via the 7-inch colour monitor. TMC is a specific application of RDS used for broadcasting real-time traffic information. It alerts the driver to

a problem on the planned route and calculates an alternative route to avoid the incident. In addition to route planning criteria such as 'shortest distance' or 'avoiding toll roads', you can now select an energy-optimised 'green route'. Here you can specify parameters such as if you are towing a caravan or have a roof box fitted. The system will use this information, in conjunction with known factors including your vehicle's weight and engine type, to calculate the most fuel-efficient route. The Navi 650 system covers all major link roads and streets in towns and cities across mainland Britain and Ireland, plus trunk and main roads for Western Europe. Additional country-specific maps with street level detail are available to download. Navi 950 IntelliLink covers street level mapping across Europe. The CD player plays regular audio CDs and MP3 tracks recorded to CD.

NAVI 950 INTELLILINK

The Navi 950 audio system includes the latest IntelliLink technology, designed to support portable Bluetooth® and USB audio devices, so you can hook up your smartphones or tablets to make calls and access your own music, slideshows, podcasts and more.

DIGITAL RADIO

Now widely available in the UK, digital multi-media broadcasts offer the user a variety of advantages over traditional FM, starting with the digital quality sound which is immune to any hiss or crackle. You'll often find a broader range of stations on offer too, many of which are not available on FM, and listening to them couldn't be easier – you simply select the station, by name, from the displayed list, thus removing the need to retune or look for stations when travelling around. Some stations will even display the artists' names and song titles on the car's graphic display, while they're played.

AUX-IN SOCKET

The aux-in socket allows you to connect your portable MP3 music player directly into the car's audio system. All you need is your music player and a suitable connecting lead and you can listen to all your favourite tunes through your car's speaker system. Using your MP3 music player in the car couldn't be easier – use it to select the music, as you would normally do, while controlling the volume via the car's regular volume controls.

USB CONNECTION

Fitted as standard on all Meriva models, the USB connection is located alongside the aux-in socket in the centre console. It provides iPod control and read-out of iPod functions through the audio system display. Traditional aux-in sockets only allow control of volume through the car's audio system. The USB connection also means that the iPod will charge whilst it is connected.

BLUETOOTH® CONNECTIVITY

Fitted as standard on all Meriva models, Vauxhall's factory-fit mobile phone system has been considerably enhanced. Now fully integrated into the audio and communication system, it also features voice control†† and will connect wirelessly to phones with Bluetooth® technology. All the required information is displayed on the graphic information display when a mobile phone is in use, while the menus are easily navigated by either the steering wheel audio controls or the multi-function button on the radio.

†† = Please note, voice control is not available with Navi 650 units.

MERIVA FEATURES/OPTIONS

ADDITIONAL INTERIOR FEATURES

Standard features • Front door pockets with bottle holders • Drinks holders in centre console • Coin holder and pen holder in glovebox • Driver and passengers' assist handles • Two rear coat hooks • Dipping rear-view mirror • Twin sunvisors with mirror and document pocket • Fade up/fade down front courtesy light operated by front door switches • Rear courtesy lights • Rear door pockets • Jet black upper fascia • Luggage compartment cover • Flex Floor luggage compartment • Luggage hook on nearside of luggage compartment • Illuminated luggage area • Two interior tailgate handles • Four load restraint lashing eyes • Storage compartment in nearside of luggage compartment • Load area sill protection • Chrome-effect door handles • Chrome-effect trim on instrument surrounds

= Fuel consumption information is official government environmental data, tested in accordance with the relevant EU directive. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

TRANSMISSION

Five-speed manual gearbox

Fitted as standard to 1.4i, 1.4i Turbo (120PS) models.

Six-speed manual gearbox:

Fitted as standard to 1.4i Turbo (140PS) and 1.6CDTi models.

Six-speed automatic transmission:

Optional at extra cost on 1.4i Turbo (120PS) Club and SE models. Electronically controlled with adaptive driving function that adjusts to the driving style and prevailing road conditions. Fluid drive with torque converter, lock-up clutch, neutral control fuel-saving feature and Active Select.

BRAKES

- Anti-lock Braking System (ABS)
- Asbestos-free friction material
- Dual circuit, diagonally split, dual rate servo-assisted system
- Low brake fluid level warning light
- Plastic-coated brake pipes

1.4i

Front ventilated discs: 280mm diameter
Rear discs: 264mm diameter

1.4i Turbo/1.6CDTi

Front ventilated discs: 308mm diameter
Rear discs: 264mm diameter

FUEL TANK CAPACITY

All models: 54 litres (11.9 gallons)

STEERING

- Rack and pinion
- Speed-sensitive electric power-assisted steering standard on all models
- Turning circle (kerb-to-kerb):
Wheels up to 17 inches – 11.06m (36.3ft.)
18-inch wheels – 11.19m (36.7ft.)
- Turns lock-to-lock:
Wheels up to 17 inches – 2.51
18-inch wheels – 2.45

SUSPENSION

Front: Independent. MacPherson struts with coil springs and gas-pressure dampers. Anti-roll bar.

Rear: Torsion tube with compound links.

Progressive-rate double conical mini-block springs and gas-pressure dampers.

MERIVA SPECIFICATIONS

EXTERIOR DIMENSIONS millimetres (inches)

WEIGHTS AND TOWING DATA kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
1.4i	1905	700 (670)
1.4i Turbo (120PS)	1930	1150 (680)
1.4i Turbo (120PS) automatic	1995	1300 (720)
1.4i Turbo (140PS)	1965	1300 (680)
1.6CDTi (136PS) Start/Stop ecoFLEX	2040	1150 (730)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 60kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

LOADSPACE DIMENSIONS

	millimetres (inches)
Maximum load length behind front seat	1642 (64.6)
Maximum load area width	1052 (41.4)

Please note:
Prices shown are a fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

MERIVA ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include the recommended cost of number plates and delivery to a Vauxhall Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. General Motors UK Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

From 1 April 2010 the Government introduced a new 'first year rate' of Vehicle Excise Duty payable on all new cars. In subsequent years the amount of Vehicle Excise Duty payable will revert to the standard rate.

Vehicle Excise Duty*

	CO ₂ emissions (g/km)	First year rate	Standard rate
Band A	up to 100	£0.00	£0.00
Band B	101-110	£0.00	£20.00
Band C	111-120	£0.00	£30.00
Band D	121-130	£0.00	£110.00
Band E	131-140	£130.00	£130.00
Band F	141-150	£145.00	£145.00
Band G	151-165	£185.00	£185.00
Band H	166-175	£300.00	£210.00
Band I	176-185	£355.00	£230.00
Band J	186-200	£500.00	£270.00
Band K	201-225	£650.00	£295.00
Band L	226-255	£885.00	£500.00
Band M	over 255	£1120.00	£515.00

* = Correct at time of issue.

E10 FUEL

E10 fuel is cleared for use in all petrol-engined Vauxhall vehicles excluding models with the 2.2 litre direct injection petrol engine (code Z22YH) used in Vectra, Signum and Zafira models. Owners of these vehicles should continue to use regular unleaded or premium unleaded petrol.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

** = Mobile phone users will be charged at their standard tariff.

VAUXHALL LEASING

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and van leasing solutions – for business users and private individuals. Working with the Vauxhall Retailer network, we combine the support of a national contract with the convenience of a local contact.

For further information, please see your local Vauxhall Retailer or call us on **0870 737 2557**. Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

VAUXHALL SERVICE PLAN

Vauxhall Retailers offer a great service for owners of all Vauxhall cars. Value for money, regular offers and free check-ups, combined with the peace of mind that comes from using Vauxhall-trained technicians and genuine parts, help keep your car in peak condition at all times.

FOR MORE PRODUCT INFORMATION

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall Retailer please call **0345 600 1500**. Alternatively, details can be found on our website at www.vauxhall.co.uk
