

VIVA

2018 Models Edition 2

VAUXHALL

LET'S BRING IT ON

Who couldn't love something that gives you everything you want, then a little bit more? And all in a marvelously tidy package.

Drive the VIVA, and you'll know what we mean.

VIVA brings it on with big car features and small car economy for a very nice price. Making it seriously good value for money.

It's got plenty of big and clever ideas too. Things like a steering mode for tight city manoeuvres, lights that show the way around corners come as standard, touchscreen sat nav and even OnStar personal assistance with its own 4G Wi-Fi Hotspot.

Factor in the VIVA's punchy, fuel-sipping 1.0 litre engine you'll get how VIVA gives you a big run for your money.

Isn't life brilliant.

LOOKS GOOD, DOES GOOD

STYLISH AND SMART DESIGN

Designed and built with practicality, solidity and safety in mind, VIVA is more than just a pretty face. So while it looks smart, it's designed even smarter with features to make life both easier and safer.

- // Stylish five-door design, made for practicality
- // Safe, solid and purposeful out on the road
- // Keep safe and be seen with daytime running lights
- // Open up a window on the world with an optional electric glass sunroof

HIGH CLASS THINKING

DESIGNED WITH A BIG CAR FEEL

VIVA's interior is designed with the distinctive feel of a larger, more exclusive car. Focussed on driver and passenger wellbeing, you'll enjoy the reassuring quality feel throughout - with all the creature comforts on offer, wherever you're off to.

// Feel firmly in control at the wheel

// Enjoy every journey in total comfort

// Relax and take in the view from the light and spacious interior

EXCEPTIONAL STANDARDS

INNOVATIVE FEATURES AND LUXURY OPTIONS

When we designed VIVA, our approach was simple: more is more. Driving this car, you're surrounded by smart technology for your safety and convenience, with additional options to make life even more comfortable.

1. Cruise control with speed limiter. Takes the effort out of motorway drives and keeps you inside the speed limit. Ideal for safely negotiating those inevitable roadwork speed restrictions.

2. Five doors, loads of room and clever design inside. Gives you quick and simple access for five people with plenty of storage options.

3. Fog lights with cornering light function*. When you indicate or make a sharp turn, the cornering lights turn on automatically to light your way. So you stay safe and sound on those dark nights.

4. City Mode. Lightens the steering to make tight, low speed turns easier when you're parking. Add the optional rear parking distance sensors and you won't believe how easy it is to park and manoeuvre into those tight parking spaces.

5. Lane departure warning.** Lets you know if you start drifting out of your lane without signalling first to help keep you on the straight and narrow.

6. Heated door mirrors. Essential for those frosty early morning starts. Add the Winter Pack** for a heated leather steering wheel and seats for a toasty welcome.

*Please note that cornering light function is not available on VIVA ROCKS models.

**Optional at extra cost.

HIGH FIVE

PRACTICAL FIVE-DOOR DESIGN

From the wheels up, VIVA has been designed with smart attention to detail. Every model gives you the convenience of five doors with a versatile, usable loadspace that's simple to access for anything from a weekly shop to weekend adventures.

// Though small on the outside, VIVA is big on the inside, with loads of room for everyone and all your essentials

// Easier for everyone to get on board with a five-door design

// Made for busy lifestyles with flexible seating and storage options

// Fit long luggage and bulky loads in the rear space with a 60/40 seat split

AHEAD OF THE CURVES

MADE FOR BUSY LIVES AND SMARTER DRIVING

With an efficient engine and intelligent driving technologies like City Mode, VIVA is built for life on the move. Ideally sized for inner city and urban driving, it's a car with perfect poise and handling that feels safe, solid and purposeful on every turn.

// A powerful 1.0 litre engine with advanced technology means you can be confident in any situation when out on the road

// City Mode is a class-leading technology that lightens the power steering and improves manoeuvrability at lower speeds, all at the touch of a button – perfect for urban driving

// A joy to drive however long your journey and wherever you're off to

PENNY

PINCHING PERFORMANCE

INTELLIGENT FUEL ECONOMY AND ENGINE EMISSIONS

VIVA features the very latest in our new generation of low-emission, fuel-efficient engines that help to significantly lower your running costs, meaning less visits to the fuel pump and more money in your pocket.

// There's less trips to the fuel pump with a combined mpg of up to 62.8 that's good for almost a 440-mile range

// You'll feel more power than you expect with an engine that's light and nimble

// Drive smoothly and efficiently with a five-speed manual gearbox for confident cruising

// Choose Easytronic transmission for a more leisurely life*

*1.0i SL model only.

DRIVER ASSISTANCE SYSTEMS

When you're turning into a tricky parking spot, City Mode is a handy feature that lightens VIVA's steering to make everything a breeze. You can also park faster in those tight spaces with the help of optional rear parking distance sensors, a feature only available in a handful of cars in this class.

Parking on a slope is effortless in a VIVA with hill start assist to help you pull away smoothly without any roll back. And, with cruise control as standard, you can safely negotiate speed restrictions whenever and wherever they crop up. Problems solved.

- // City Mode gives your steering extra power for easier parking and tight city centre manoeuvres
- // Optional rear parking distance sensors help you park confidently with sensors to warn of objects behind
- // Hill start assist helps you pull away on a hill smoothly without rolling back downhill
- // Cruise control with speed limiter keeps you safely within the speed limit

CATCH YOUR DRIFT.

DRIVER SAFETY FEATURES

Every VIVA features a tyre pressure monitoring system fitted as standard to automatically check the safety of your tyres – a simple yet clever safety feature.

A luxury feature in the small-car category, our optional lane departure warning prevents you drifting out of your lane by mistake with a simple beep, while cornering lights illuminate your turn as you steer into a corner*.

- // Get alerted if you drift from a lane without signalling
- // See clearer into your turns at night with automatic cornering lights*
- // Stay safe on the road with built-in tyre pressure monitoring
- // Other VIVA safety features include electronic stability programme

*Not available on VIVA ROCKS models.

WIRELESS FOR SOUND

CONNECTED LISTENING

Out and about in VIVA, enjoy all your favourite radio shows, music and podcasts with a stereo radio that features a USB connection to simply plug in your smartphone or MP3 player. Steering wheel mounted audio controls ensure you can keep your eyes on the road too.

You can also make hands-free phone calls and stream music wirelessly with Bluetooth® connectivity.

With the R4.0 IntelliLink system* – which includes digital radio – you can even display certain apps and features from your smartphone or tablet on the 7-inch colour touchscreen**. Opt for the Navi4.0 IntelliLink system† and you add built-in navigation too!

// Plug your phone or devices into the audio unit for a world of entertainment

// Steering wheel mounted audio controls are standard on all models

// Upgrade to R4.0 IntelliLink* or Navi4.0 IntelliLink† with smartphone projection using Apple CarPlay™ or Android Auto™**

*Optional at extra cost.

**Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the IntelliLink systems.

†Standard on SE Nav models, optional on all other models.

THIS COULD BE THE IDEAL TRAVEL COMPANION

Journeys go faster with great company. It's just a good feeling to have someone with you along the way. Which is why your VIVA* comes with OnStar¹, a personal connectivity and service assistant who's always there for you, 24/7, 365 days a year.

At the push of a button, it puts you in touch with someone to help you – could be help to find or unlock your car or immediate help in an emergency – whatever happens, it's there.

Oh yes, and how could we forget it also has a super-handy 4G Wi-Fi Hotspot². Perfect for hooking up to seven devices (I want to be at that party).

Isn't this just the kind of mate you'd like on your next road trip? And we guarantee it won't complain about the music you play.

*Standard on VIVA SL models, optional at extra cost on VIVA SE, SE Nav and ROCKS. **1** OnStar services require activation and an account with OnStar Europe Ltd, a GM company. All OnStar services and Wi-Fi services will cease to be available on 31 December 2020. No trial or paid subscriptions or services, including emergency response services, will be available after that date. Charges apply after applicable trial period. All services subject to mobile network coverage and availability. The OnStar subscription packages could be different from the services included in the free trial package. Check vauxhall.co.uk/onstar for details of availability, coverage and charges. Terms and conditions apply. Vauxhall is not responsible for the provision of OnStar or Wi-Fi services. **2** Wi-Fi Hotspot services require an account with OnStar Europe Ltd. and nominated network operator. Wi-Fi trial has a time limit and capped data allowance. Charges apply thereafter. All services subject to mobile network coverage and availability. **3** OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

SOS

YOU'RE SAFE

With OnStar you have emergency assistance at your fingertips, available 24 hours a day, 365 days a year.

- **Automatic Crash Response^{1,3}:**

in case of a crash and an airbag deploys, our advisors automatically connect to your car. If needed, they immediately brief the emergency services with key car information and can send them your exact location.

- **24-Hour Emergency Call Service¹:**

you or a passenger are not feeling well? Push the red SOS button and our advisors make sure to call for help right away.

- **Roadside Assistance^{1,4}:**

if you have a flat tyre or a warning light in the dashboard goes on, just contact our advisors and they will send Roadside Assistance to your location, if required. This is even more valuable in areas with weaker mobile phone coverage or if your smartphone has run out of battery.

- **Stolen Vehicle Assistance¹:**

in case your car gets stolen, report it to the police and get a crime reference number. Once the car stops and is turned off, OnStar blocks the ignition so the car can't be restarted again and provides the police with the exact vehicle location to help retrieve your car safely.

YOU'RE WELL CONNECTED

Nowadays, we're pretty used to having Wi-Fi on tap almost everywhere. So why not your car? And you can use the smartphone app to view the status of some functions, locate your car, and lock or unlock it if needs be.

- **Wi-Fi Hotspot^{1,2}:**

a fast and stable Internet connection enables you and your passengers to work, surf or just stream movies on up to 7 devices – thanks to the powerful OnStar roof antenna.

- **Remote Control^{1,5}:**

if you forgot to lock your car, you can use your smartphone to remotely lock or unlock it, even from afar, thanks to the **My Vauxhall Smartphone App**.

- **Car Locator^{1,5}:**

forgot where you've parked? Pinpoint your car's location on the app. If you are close and still do not see it, just blink the headlights or honk the horn to see where you've parked.

YOU'RE LOOKED AFTER

Who wouldn't want a personal assistant? At the touch of a button, you'll be connected to an assistant who's at your service – 24 hours a day, 7 days a week.

- **Hotel Booking^{1,6}:**

plans changed? Or too tired to keep driving? Let our advisors take care of your hotel booking en route, powered by Booking.com. Just press the blue Service Button.

- **Destination Download^{1,5}:**

no more address typing! Our advisors assist you in finding an alternative route, a restaurant or a petrol station. They will remotely download the address onto your in-built navigation system, too.

- **Parking Service^{1,7}:**

never search for a car park space again! Using Parkopedia.com, OnStar can find the nearest car park to your destination. That way, before you even get there, you'll already know the availability and parking fee. With destination download⁶, OnStar can send the information direct to your sat nav, making it even easier.

How's that for personal service?
All without leaving your new VIVA.

4 OnStar will direct a professional breakdown recovery team to your location. If your car is within the Vauxhall New Vehicle Roadside Assistance coverage period, OnStar will connect with the Vauxhall roadside assistance service, who will send help free of charge, subject to the Vauxhall roadside assistance terms and conditions. If your vehicle is outside the coverage of the Vauxhall New Vehicle Roadside Assistance service, the provider of the breakdown recovery service may apply charges for the services provided. **5** Some elements of Smartphone App and Destination Download may not be available for all cars/trim levels. An embedded Vauxhall navigation unit and map data are requirements for the Destination Download service. Check vauxhall.co.uk/onstar for service limitations and charges. **6** An OnStar advisor can help you to book a hotel room using Booking.com, subject to Booking.com user terms and privacy statement, which can be found on the Booking.com website, and the applicable terms and conditions for your hotel. OnStar assists you to make a booking and is not responsible for the services provided by Booking.com or the applicable hotel. Email address and credit card required. **7** Only available for car parks which are listed in Parkopedia. Availability applies only to the moment of contact with OnStar.

HOW TO GET ONSTAR

OnStar is standard on VIVA SL and is available as an extra cost option on VIVA SE, SE Nav and VIVA ROCKS models.

1. We will send you an e-mail so you can activate your account – then just complete your registration and set your preferences.
2. Just activate OnStar when you take delivery of your new Vauxhall VIVA.
3. OnStar is ready to go!

After the 12-month free trial period¹, you can decide to order a continuation of the OnStar services. This will be subject to a fee.

You can purchase Wi-Fi Hotspot data packages separately from the nominated network provider by following the instructions on vauxhall.co.uk/onstar. Charges apply after the free trial period.

To ensure your privacy, you can turn OnStar off and on anytime*.
Find out more at vauxhall.co.uk/onstar

*OnStar can only override the Privacy Button in an emergency or if your car is reported stolen.

¹Free trial periods start with first registration or delivery from the Vauxhall retailer, whatever comes first, independent of customer activation. All OnStar services and Wi-Fi services will cease to be available on 31 December 2020. No trial or paid subscriptions or services, including emergency response services, will be available after that date.

SIZED FOR LIFE

LIVE LARGE WITH VIVA

Step up to the VIVA, and its most obvious advantage is its compact size.

But what's less obvious – until you drive it – is how substantial it is for a small car. It just keeps on giving.

One of the very best cars in its class, VIVA is solidly built with the kind of safety features and smart connectivity you'd expect in grander, more expensive cars.

So you not only get clever things like OnStar and City Mode driving assistance, you also get the huge advantages of its compact size, like the hyper-efficient, fuel-sipping, super-nippy engine.

In every way, VIVA keeps giving you that bit more, which makes you love it more. And that's no small thing.

Do the VIVA experience soon. Book your test drive at vauxhall.co.uk
