Vauxhall on-the-road recommended retail prices (RRP)

To eliminate uncertainty about hidden costs incurred when buying a new commercial vehicle, Vauxhall publishes on-the-road prices and these are shown in the pricing tables within this price guide. The prices shown are manufacturer's recommended retail prices (RRP) unless otherwise stated, exclusive of VAT (currently at a rate of 20% which may be payable). These prices include the recommended cost of number plates, delivery to a Vauxhall Retailer of £583.33 (£700.00 including VAT), 12 months' Government Vehicle Excise Duty* (shown on each model page) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The RRP does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and customer.

*Correct at time of publication.

Price protection for all Vauxhalls

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new commercial vehicle, but you must take delivery as soon as the commercial vehicle is available. General Motors UK Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

○= Optional at extra cost. ●= Standard equipment. N/C=No-cost option.

1 = Not available on H2 models. Only available in conjunction with Lighting Pack (standard models) or Sight and Light Pack (Sportive models). **2** = Not available when Ink Blue paint is specified. **3** = H2 models are only available with Appearance Pack when Glacier White or Platinum Silver colours are specified. **4** = Mandates single passenger seat. **5** = Mandates one-touch electrically operated windows. **6** = Start/Stop models only. Only available in conjunction with electronic climate control and one-touch facility for electrically operated front windows. **7** = Only available in conjunction with R 16 BT USB audio unit. Must be specified at time of ordering as it cannot be fitted retrospectively. Vehicles fitted with tachograph include odometer display, in kilometres, replacing standard odometer display on instrument cluster. Option price for digital tachograph does not include calibration which must be carried out at an approved tachograph centre within 14 days of the vehicles registration. Please note: The legislation regarding the use of tachographs is complex and operators should seek independent advice or speak to the Commercial Vehicle specialist at your Vauxhall retailer to ensure compliance. Alternatively your local DVLA office will also be able to provide clarification of the relevant legislation. **8** = Not available with FlexCargo bulkhead. Sportive models will be supplied with full-height steel bulkhead when this option is specified. **9** = Only available in conjunction with either driver and front passenger's curtain airbags and driver's side-impact airbag or single front passenger's seat with driver and front passenger's curtain and side-impact airbags. **10** = Only available in conjunction with Lighting Pack (standard models) or Sight and Light Pack (Sportive models). **11** = Unless the user qualifies for a specific exemption, vehicles operated with a trailer, where the combined weight of the vehicle, trailer and payload exceeds 3500kg, will need a digital tachograph. For trailers with LED lights use genuine Vauxhall Accessory tow bars which also include trailer stability programme. **12** = Only available with glazed rear doors or tailgate options. **13** = Special paint available at extra cost. Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £583.33 (exc. VAT), 12 months' Vehicle Excise Duty at £230.00 (£165.00 on 4500kg models) and new vehicle first registration fee of £55.00. Excludes fuel and insurance.

= Fuel consumption information is official government environmental data, tested in accordance with the relevant EU directive. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

S/S = Start/Stop.

* = Kerbweights are minimum vehicle kerbweight according to European Type Approval and include all fluids, tools and a 90% fuel load. They will vary according to the vehicle specification (including options and accessories) will a corresponding variation in payload. Kerbweights are also subject to manufacturing tolerances. Payload figures do not allow for the weight of the driver, or any passengers, which should therefore be deducted from the figures shown. Gross plated weights (including axle weights) quoted on the vehicle plate are to UK plated weight specification and must never be exceeded. Roof load should not exceed 200kg including the weight of the roof rack/carrier.

** = Tecshift models available from November 2016.

All conversions must follow 'Vauxhall Convertor Requirements' including recommended dimensional data, detailed within Part 1, available at: www.vauxhall.co.uk/conversiondata. The weight of any fitted conversion body will have to be deducted from these figures to establish actual payload and is subject to correct weight distribution. Variations from the recommended dimensions or weights may affect the vehicle's overall centre of gravity and stability. From 29 April 2013 conversion of N1 vehicles was affected by changes to type approval – for further information refer to the VCA website (N2 vehicles were affected from 29 October 2014). For further information please contact conversions@vauxhall.co.uk

Please note: Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/blueinjection.

In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £583.33 (exc. VAT), 12 months' Vehicle Excise Duty (£230.00) and new vehicle first registration fee of £55.00. Excludes fuel and insurance.

= Fuel consumption information is official government environmental data, tested in accordance with the relevant EU directive. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

* = Kerbweights are minimum vehicle kerbweight according to European Type Approval and include all fluids, tools and a 90% fuel load. They will vary according to the vehicle specification (including options and accessories) will a corresponding variation in payload. Kerbweights are also subject to manufacturing tolerances. Payload figures do not allow for the weight of the driver, or any passengers, which should therefore be deducted from the figures shown. Gross plated weights (including axle weights) quoted on the vehicle plate are to UK plated weight specification and must never be exceeded.

All conversions must follow 'Vauxhall Convertor Requirements' including recommended dimensional data, detailed within Part 1, available at: www.vauxhall.co.uk/conversiondata. The weight of any fitted conversion body will have to be deducted from these figures to establish actual payload and is subject to correct weight distribution. Variations from the recommended dimensions or weights may affect the vehicle's overall centre of gravity and stability. From 29 April 2013 conversion of N1 vehicles was affected by changes to type approval – for further information refer to the VCA website (N2 vehicles were affected from 29 October 2014). For further information please contact conversions@vauxhall.co.uk

Please note: Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/blueinjection.

= Fuel consumption information is official government environmental data, tested in accordance with the relevant EU directive. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

* = Kerbweights are minimum vehicle kerbweight according to European Type Approval and include all fluids, tools and a 90% fuel load. They will vary according to the vehicle specification (including options and accessories) will a corresponding variation in payload. Kerbweights are also subject to manufacturing tolerances. Payload figures do not allow for the weight of the driver, or any passengers, which should therefore be deducted from the figures shown. Gross plated weights (including axle weights) quoted on the vehicle plate are to UK plated weight specification and must never be exceeded.

All conversions must follow 'Vauxhall Convertor Requirements' including recommended dimensional data, detailed within Part 1, available at: www.vauxhall.co.uk/conversiondata. The weight of any fitted conversion body will have to be deducted from these figures to establish actual payload and is subject to correct weight distribution. Variations from the recommended dimensions or weights may affect the vehicle's overall centre of gravity and stability. From 29 April 2013 conversion of N1 vehicles was affected by changes to type approval – for further information refer to the VCA website (N2 vehicles were affected from 29 October 2014). For further information please contact conversions@vauxhall.co.uk

Please note: Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/blueinjection.

In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Customer Care

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment* that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 (Corsavan and Combo) or 100,000 (Vivaro and Movano base vehicles only) miles limitation
- Vauxhall Assistance for 12 months from first registration (conditions may apply to passenger carrier models)
- Six years' body panel anti-perforation warranty

*Warranty is only available on vehicles sourced from General Motors UK Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Protecting the environment

Our products are increasingly winning environmental awards, both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, including information on Design for Recycling, take-back of End-of-Life Vehicles (ELVs), and the recycling of ELVs, see www.vauxhall.co.uk/recycling

Fleet Customer Services

Our dedicated support services for fleet managers includes factory demonstrators and information on whole life costs, company vehicle taxation and finance. For further information please call 0870 010 0651.

In the event of an accident...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Vauxhall Leasing

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and commercial vehicle leasing solutions – for business users and private individuals. Working with the Vauxhall Retailer network, we combine the support of a national contract with the convenience of a local contact. For further information, please see your local Vauxhall Retailer or call us on 0870 737 2557. Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

Flexible Business Leasing

Business Lease from GMAC is a lease financing programme offering highly competitive terms on all Vauxhall Commercial Vehicles up to 12 months old. It offers all the versatility of a purchase-based finance plan but makes the most efficient use of current tax and cash-flow benefits to VAT-registered business users.

Ask your Retailer for full details, or for a written quotation on the Vauxhall Commercial Vehicle of your choice, please contact GMAC, Wesley House, 19 Chapel Street, Luton LU1 2SY. Security may be required, subject to status. Applicants must be aged 18 or over.

Vauxhall Assistance**

Vauxhall Assistance is provided automatically with every new Vauxhall Commercial Vehicle for 12 months from first registration and covers everything from accidents, mechanical breakdown to flat tyres. With Vauxhall Assistance help is literally just a free† phone call away, 24 hours a day, 365 days a year!

** Conditions may apply to passenger carrier models. Please consult your Vauxhall Retailer for details.

† Mobile phone users will be charged at their standard tariff.
